

# WaterAfrica Walk4Water<sup>10</sup>

Volunteers with World Vision

Saturday, April 29 marks ten years of a very successful campaign to help bring life-sustaining, clean water to deserving villagers in Zambia. **Walk4Water** has become a signature event on Lake Oswego's spring calendar and a celebration of life for many.

As an active supporter of the annual **Walk4Water**, we would like to invite you to consider participating as a Family Sponsor for this year's event, the 10<sup>th</sup> in a series of highly-successful Walks over the years. As a Family Sponsor, your \$250 gift will provide clean water and life-sustaining personal hygienic practices to multiple people; each \$250 gift provides clean water for life for 5 individuals. As we take the next step forward with WaterAfrica in 2017, we hope you will be able to consider joining many others who have become a Family Sponsor for this year's event.

Additionally, the **10<sup>th</sup> anniversary** of **Walk4Water** provides a symbolic opportunity to recognize this important milestone. In celebration of **Walk4Water's** 10th year, we hope you may be able to consider providing support for **10 individuals** by increasing your Family Sponsorship to the \$500 level: **Ten lives in the tenth year ("10 for 10")**.

For your convenience, please find a commitment form attached. We look forward to your participation on April 29 at Foothills Park in Lake Oswego and we sincerely appreciate your continued support!
