

Saturday, April 21, 2018 marks eleven years of a very successful campaign to help bring life-sustaining, clean water to deserving villagers in Zambia. **Walk4Water** has become a signature event on Lake Oswego's spring calendar and a celebration of life transformation for thousands.

The generosity of our Family Sponsors in past events has been extremely important for **Walk4Water** and as reported by them, a rewarding personal experience. Previously, each Family Sponsorship provided clean water and life-sustaining sanitation and hygiene practices for five Zambians for life.

2018 brings a new chapter to our fun-filled **Walk4Water** event! Along with the traditional 1.5 mile (2.4K) bucket walk, WaterAfrica is adding the 3.7 mile **World Vision Global 6K (G6K)** as an optional distance walk, all in our same venue. **6K is the average distance walked daily by villagers in Zambia to fetch unsafe water.** Participants can choose either of our Walks, the traditional or go the distance with the G6K. We are excited to be using the G6K registration process this year with its benefits of providing every registrant with a special **Registration Kit**. This includes a **Walk Bib** with the photo of a child who will receive clean water because of this Walk. This **Registration Kit** will arrive at your home address about 10 days after your registration.

To facilitate our new process with the G6K, our traditional Family Sponsorship is now called **Child Walk Sponsorship**. In the **Spirit of Six**, and because \$50 provides water for life, the **Child Walk Sponsorship** total participation donation is \$300. Every family reaching this level will be recognized as a **Child Walk Sponsor**. The individual adult registration fee is \$50, \$25 for children. Some options for reaching this sponsorship level are:

1. Family registration, adding extended family as participants to reach \$300 level,
2. Family registration, adding donation to reach \$300 level,
3. Provide a **Walk Scholarship** for 12 local school students to participate in the walk, each walking for a child in Zambia. In this case donations may be made...
  - a. By check directly to WaterAfrica, PO Box 2012, Lake Oswego, OR 97035, and noted as **Child Walk Sponsor**, or
  - b. At [WWW.WaterAfrica.Org](http://WWW.WaterAfrica.Org). Select "Donate" button (in upper right), specify amount under "Other", select "I would like to dedicate this donation", and name the tribute as **Child Walk Sponsor**.

We look forward to your participation on April 21 at Foothills Park in Lake Oswego. Please consider becoming a **Child Walk Sponsor** and experience the joy of being part of life-transformation in Zambia. Special blessings to you from WaterAfrica.

**Walk4Water11** | **Foothills Park, Lake Oswego** | **April 21, 2018** | **Check-In 8:30 am**
